*Class Types

We offer over 30 different types of classes across our 5 studios, so there is truly something for every body! To make it easy, our classes generally fall into the following groups:

- Yoga: From foundational Hatha to energetic Vinyasa and relaxing Yin. We also have Yoga Therapy, which is amazing if you have back, neck, or shoulder pain.
- Pilates & Barre: We have both Mat Pilates and Reformer Pilates (on the machines) to help you build core strength and better posture.
- Infrared Heat: These classes use special panels to heat your body directly. It's a deeper stretch and a great detox without the 'stuffy' feeling of traditional hot yoga.

If you're new, don't worry! Most of our classes are beginner-friendly!
